Articulating Your Personal Commitment to Diversity, Equity, and Inclusion: Drafting Your DEI Statement

Celebrating Hispanic Serving Institutions Week

In this equity-focused workshop, we will craft and share our personal Diversity, Equity, and Inclusion (DEI) statements. "[T]he exercise of writing, reviewing, and committing to a statement of equity, diversity, and inclusion can be instructive to all members of the academic community" (Canning & Reddick, 2019). This process can reveal how we engage in equity efforts and provide opportunities for the deeper commitment that we want to explore and promote in serving our students.
