Welcome new officer Pamela Suguimitzu to the Webmaster position!

### **The Exemplary Practice Award:**

Exemplary Practice Award Theme: "Moving Forward to Creative & Innovative ways of using Technology in Education" is vast therefore the submission for the Exemplary Practice Award can include information from Online Learning Innovation Conference | April 2023 | OLC ([onlinelearningconsortium.org](http://onlinelearningconsortium.org)) and other resources.

Applying to submit your proposal is simple as you just must fill out the nomination form or email or call us. As of today, we have not received any proposal due on August 1, 2023, advertised online, via email, and during the meetings/Region V and Region I conferences 3.31.2023 and 4.15.2023.

### **Professional Development Series:**

The PD Lunch & Learn series (see PP presentation proposal) as agreed during last meeting. Some sessions we intend to repeat at another date and request a Zoom link from AFC Tallahassee.

PD Presenting Region I: Not Your Grandmother's ID: Exploring the Elusive and Ubiquitous Science of Instructional Design Through a Personal Journey and Libguide vs. Weebly platforms.

During Region V: Dr. Belkis L. Cabrera, Chair-Elect presented using Quizziz and Virtual Reality the AFC Technology Commission on behalf of Jamie Beck, Chair. Vendor and Affiliate member introduced Surveillance German system.

### **Leadership Volunteers:**

AFC Membership Committee members: Jessie Clayton, past chair of the Technology Commission, and Bertha Cabrera, Secretary volunteered to serve as liaisons to boost membership.

### **Fundraising efforts:**

Ongoing request for donation of items for the AFC Auction.

### **Communication Goals:**

Newsletter and brochure updates.

### **Social Activities:**

Going-on Adobe Express Contest.

Social Media presence Twitter, Facebook, LinkedIn, Pinterest (new addition), Instagram.

### **Outstanding Commission of the Year Award:**

Preparing report for revision and signature including the voting on the Bylaws.

### **Long Term Goals:**

Continue promoting participation in the Technology Commission, fill in Historian vacant position, and bring innovation and creativity to the technology field including AI applications.

**Budget Report:** AFC Technology Commission Budget reconciliation pending last financial report: \$2,216.52 on Jan. 25, 2023.
